# Presidential Town Hall 2016

The Graduate and Professional Student Council invites all graduate and professional students to attend the first Presidential Town Hall for 2016 with President Michael Young. President Young will give a speech about his tenure at the university and his vision to remain a top research institution. Please visit our website and fill out the form in advance of the Town Hall if you have any questions for the President. Come join us for this wonderful event to listen to and share your thoughts with our University's very own President on how TAMU can become an even better place.
